Re: Proposed annexation to the
City of La Puente
Annexation No. 2

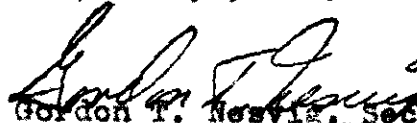

Dear Mr. Aleshire:

At the meeting held on November 28, 1956, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter received November 14, 1956, of the proposed annexation of territory to the City of La Puente.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Gordon T. Nesvig, Secretary

Dear Sir:

CITY OF LA PUENTE
"ANNEXATION NO. 2"

In compliance with your request of November 15, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. The boundaries conform with existing lines of ownership, as shown on the County Assessor's records.
2. No island or corridor of unincorporated territory is created by the boundaries.
3. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
4. Pursuant to our telephone conversation with Mr. F.C. Aleshire, the City Manager, we have adjusted the boundaries to coincide with lot lines and with the boundaries of proposed "Annexation No. 1" to the city.
5. The legal description as submitted requires revision to provide definiteness and certainty in accordance with Section 35002 of the Government Code.
6. Because of items 4 and 5 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter are enclosed.

Yours sincerely,
